CRACKS TECHNICAL SERVICES

Renovation • Tiling • Pools • Finishing • Technical Works

COMPANY PROFILE | Dubai, United Arab Emirates

ABOUT US

Cracks Technical Services L.L.C is a licensed Dubai-based contracting and technical services company delivering quality renovation, tiling and finishing works for villas, residential towers and commercial properties. Led by **Engineer Musharraf**, our team combines skilled craftsmanship, modern materials and strict site supervision to deliver every project on time, to specification and with a clean, lasting finish.

We have worked with respected developers, contractors and hospitality and property groups across Dubai, and we pride ourselves on reliability, transparent communication and workmanship that clients return to.

OUR SERVICES

Villa & Apartment Renovation
Complete interior and exterior refurbishment, from strip-out to handover.

Swimming Pool Works
Pool installation, tiling, decks, steps, coping and finishing.

Plaster & Painting
Plaster works, interior and exterior painting and finishes.
